Accommodation and services

Ashlands Mews is a small supported living scheme, offering independent living bungalows, providing for younger physically disabled clients who require our full care & support package, the focus being on promoting independence. All of the accommodation at Ashlands Mews is offered on a tenancy basis with clients receiving funding from Housing Benefit and a variety of personal budgets to facilitate their support needs.

Offering on-site support from two registered care homes, with a highly skilled staff team, all of the accommodation is purpose built, with intercom security system and all associated hoist and assisted technology equipment.

Prospective clients

Prior to moving into Ashlands Mews all clients are offered an individual care plan assessing their individual choice and needs. Care and support will be structured on an individual basis, focusing on supporting clients current health and social care needs, but also promoting, where possible, a return to independence with the support of family and advocates.

Activities

Our clients have the opportunity to join our local activity programmes, with the key emphasis being to support clients to maintain, and regain their independence, whilst undertaking vocational studies, employment and similar community based activities.

Whilst we very much regard it as our responsibility to provide a safe, secure environment, we will encourage all clients to participate in all that we offer, welcoming you to enjoy life at PrimeLife, Ashlands Mews.
