## Our team

Our staff also benefit from a vocational training programme, and are regularly supported by our Quality Matters Team to embark upon specialist dementia training, with an emphasis on internal promotion and staff development.

Full details of the training undertaken by our staff can be obtained from the Home Manager.

## Location

Chamberlaine Court is located in the small Market Town of Bedworth, offering access to all local shops and amenities.

## Accommodation and services

Chamberlaine Court provides for 38 clients in en-suite single rooms, in a purpose built facility for those whose needs are associated with old age and their mental health. We provide a specialist dementia care service and can also accommodate clients with a physical disability, on permanent or short-term respite stays.

## Prospective clients

Prior to any admission to the home our staff will carry out an individual care plan assessment, which will focus on client's specific choices and needs. These care plans will be structured to the clients preferences and will focus on maintaining and developing as much independence as possible.

Whilst accepting that the majority of our clients will be suffering from dementia, we offer a sensitive support service to allow clients to embark upon a variety of daily living tasks. Everyone will be offered the opportunity to personalise their room and to maintain as much choice and independence as they either choose or are able to accommodate.

## Activities

We are proud to offer a thriving activity programme, which focuses on regular reminiscence sessions and a variety of either individual or group activities with regular trips out into the local community on our wheelchair adapted Mercedes mini-buses.

Whilst we very much regard it as our primary responsibility to provide a safe and secure environment, we will encourage, in a sensitive manner, all clients to participate in all that we offer, welcoming you to enjoy life PrimeLife, Chamberlaine Court.
