Accommodation and services

Island Place provides for 36 clients in total, with the accommodation being offered in 10 self-contained flats. Island Place provides care for clients whose needs are associated with their mental health, the emphasis is on supporting clients to either retain or regain a degree of independence.

Each flat contains either 2, 3 or 4 bedrooms, with fully fitted kitchen/dining areas, with a private lounge area. Contained within the ground floor of Island Place is a large American themed dining room, with a multi-purpose sports and activity lounge and a clients laundry. The emphasis of the home is very much on promoting independence, so whilst the home provides daily meals on-site for clients at the early stage of promoting independence, many clients are expected to provide meals for themselves as well as using the on-site laundry facilities. Some clients take part in local college courses, undertake vocational qualifications and in some instances take part in voluntary or paid employment.

Island Place is very much part of the local community, and whilst we regard it as our responsibility to provide a safe and secure environment, we will encourage all clients to participate in all that we offer, welcoming you to enjoy life at PrimeLife, Island Place.
