Our Team

Netherlands employs approximately 10 staff all of whom are trained in the key aspects of care delivery, to ensure the provision of a safe, quality service to our client group.

Our staff also benefit from a vocational training programme, and are regularly supported by our Quality Matters Team to embark upon specialist learning disability training, with an emphasis on internal promotion and staff development.

Full details of the training undertaken by our staff can be obtained from the Home Manager.

Location

Netherlands is located in the small market town of Horncastle, close to all local amenities and facilities on offer in the community.

Accommodation and services

Netherlands provides for 11 clients who have needs associated with a learning disability. All of the accommodation is offered in single bedroom format, many of which offer en-suite facilities, the home is also accessible for clients with a physical disability.

Prospective clients

Prospective clients are encouraged, either with friends, relatives or advocates, to view all available vacant accommodation and visit for a day to fully experience the home. Prior to being offered a place at Netherlands, an individual care plan assessment focusing on individual needs and choices will be structured to offer as much care and support as is necessary, but with an emphasis on developing personal skills.

Activities

The home has a thriving activity programme, which focuses on improving and developing client's personal skills. The home offers clients kitchenette, laundry and disabled bathing facilities, whilst our on-site transport provides clients with access to community day centres and local activities.

Whilst we very much regard it as our responsibility to provide a safe secure environment, we will encourage all clients to participate in all that we offer welcoming you to enjoy life at PrimeLife, Netherlands.
