## Our team

Sandybrook House employs approximately 25 staff all of whom are trained in the key aspects of care delivery, to ensure the provision of a safe, quality service to our client group.

Our staff also benefit from a vocational training programme, and are regularly supported by our Quality Matters Team to embark upon specialist dementia training, with an emphasis on internal promotion and staff development.

Full details of the training undertaken by our staff can be obtained from the Home Manager.

## Location

Sandybrook House is located close to the heart of the Lower Darwen area of Blackburn, with good access to local amenities.

## Accommodation and services

Sandybrook House provides accommodation for 25 clients, in all single room format, for those whose needs are associated with their mental health, including dementia. Sandybrook House is a specialist dementia care home, which can also accommodate clients with physical disabilities on either a permanent basis, on a short term respite or intermediate care stay. The accommodation is designed to give easy access to clients in wheelchairs, and who need assistance with their mobility.

## Prospective clients

Prospective clients are encouraged to view available vacant accommodation, either with family, friends or advocates and visit for the day to fully experience the home. Prior to any client being offered a place at Sandybrook House, a full individual care plan assessment will be carried out to identify the individual needs and choices of our prospective clients. We will place great emphasis on finding out as much about your previous life as we possibly can, this allows us to offer a very individual service, tailored to your individual choice and needs, but most importantly to allow us to offer you a full social care package, enabling you to take part in the multitude of activities on offer.

## Activities

Many of our clients still enjoy the opportunity to be involved in maintaining their own accommodation, all of which can be personalised to your own choice and your pets will be welcome. We try hard to ensure that you are involved in every aspect of the care delivery that is appropriate for your individual assessed level of need. The emphasis at Sandybrook House is very much one of allowing you the opportunity to maintain as much independence and choice as you would like.

Whilst we regard it as our responsibility to provide a safe, secure environment, we will encourage all clients to participate in our daily activity programmes, whether they be on a group or individual basis, taking advantage of our safe and secure garden areas, allowing you to enjoy life at PrimeLife, Sandybrook House.
