The central atrium features a modern hair salon and beauty room, an open plan Bistro for informal dining and the main dining area for residents to enjoy. It is envisaged that friends and family plus members of the local community will use this area to meet and enjoy the facilities together.

Stretching out from a central atrium downstairs and an airy gallery landing upstairs are 4 separate bedroom wings. The bedrooms are all spacious, wheelchair accessible and have their own 'front door'. The rooms are fitted with en-suite bathrooms including accessible showers and high-quality furniture including high/low beds for additional safety. The décor is classic using modern colours with flat-screen TV's provided as standard in all rooms. Lower level windows provide views to the outside, with many rooms overlooking the lovely garden.

Generous individualised corridors lead to seating areas and lounges where residents can sit and chat, entertain their families and friends or just rest a while watching the world go by. Main meals can be taken in the main Dining area, the Bistro area, the Lounge diners or in the resident's bedroom. ## Activities

Tanworth Court has a daily activity programme which aims to reflect the varied interests of all our residents. We try to ensure that everyone who wishes to, has an opportunity to be involved in activities and for those who wish to, go out on the organised trips. Our client's family and friends are welcome to come and join in with activities and on trips.

Within each lounge area there are many different items of interest which we encourage to be used. It is important to have things around which stimulate interest and help to occupy the day. At times this may look a bit disorganised and untidy, but it is homely!

From time to time external entertainers are brought into the home. This can range from singing and dancing and visiting pets to poetry reading and drama.

We try to support local and national events. This is important to maintain a sense of being part of the community and society. Examples of this are, Easter, Christmas services and Garden Parties. Families and Friends are very much encouraged to support and participate in such events.
