Our team

White Acres employs approximately 10 staff all of whom are trained in the key aspects of care delivery, to ensure the provision of a safe, quality service to our client group.

Our staff also benefit from a vocational training programme, and are regularly supported by our Quality Matters Team to embark upon specialist learning disability training, with an emphasis on internal promotion and staff development.

Full details of the training undertaken by our staff can be obtained from the Home Manager.

Location

White Acres is located just off Junction 23 of the M1, in the small town of Shepshed, close to all local amenities and facilities.

Accommodation and services

White Acres provides for 12 clients who have needs associated with a learning disability. All of the accommodation is offered in single bedroom format, many of which offer en-suite facilities. White Acres benefits from disabled bathing facilities and also benefits from on-site transport which allows clients to access community day centres and activity centres.

Prospective clients

Prospective clients are encouraged, either with friends, relatives or advocates, to view all available vacant accommodation. Prior to being offered a place at White Acres, an individual care plan assessment focusing on individual needs and choices will be structured to offer as much care and support as is necessary, but with an emphasis on developing personal skills.

Activities

The home has a thriving activity programme, which focuses on improving and developing clients' personal skills. The home provides a clients' kitchenette and laundry, our on-site transport provides access to local community day centres, activities and events.

Whilst we very much regard it as our responsibility to provide a safe secure environment, we will encourage all clients to participate in all that we offer welcoming you to enjoy life at PrimeLife, White Acres.
